INTRODUCING THE NEXT GENERATION'S **GRADUATING SENIORS**

To my beautiful seniors,

Thank you for filling my life with so much joy and happiness throughout your years here at TNJ. Thank you for always being amazing role models to all the young dancers that look up to you. I hope you always continue to follow your passions. Never forget you are always part of the TNJ family.

With love, Miss Jenna

Grace Hinman

My name is Grace Hinman and I have been dancing since I was 7, but joined TNJ 3 years ago and I couldn't be happier that I switched studios. Even though I haven't been dancing at the studio as long as most of the other dancers, I was welcomed with open arms and we all instantly became family. My last few years with Jenna as my coach have not only made me a better dancer, but an all-around better person and I couldn't ask for a better role model. In the fall, I plan on attending the University of Tampa with a major in public relations and advertising. I would like to thank Jenna for being there for not only me, but every team member as if they were her own children. I would also like to thank my mother, Julie for always telling me to follow my dreams and never let anyone get in the way of them. I love you all and am so grateful for everyone who has supported me and my dance career.

Maryn Horvath

Maryn is a senior at Lehman Alternative Community School and will be attending the University of Tampa in the fall. At Tampa, Maryn will be studying Pre-med/Biology. Maryn has been dancing at TNJ for 12 years. During her time at TNJ she has learned so much as a dancer and a person. Maryn would like to thank her TNJ family, Miss Vonnie, Miss Jodie, Miss Maria, and a huge thanks to Miss Jenna who has helped form her into the person she is today. She would also like to thank her family who have loved and supported her endlessly. Without them none of this would be possible.

Madison Howells

Madison has been a part of The Next Jennaration family for 10 years. Maddie is graduating from Lansing High school and will be attending University at Buffalo in the fall with intentions to study psychology. In her time at TNJ she has been a part of several national championship awarded dances. She will forever cherish her time with her TNJ family and would like to thank everyone who has been part of her dance career. She would like to give a special thank you to her parents and Miss Jenna for supporting her along the way. Maddie will always love her TNJ family.

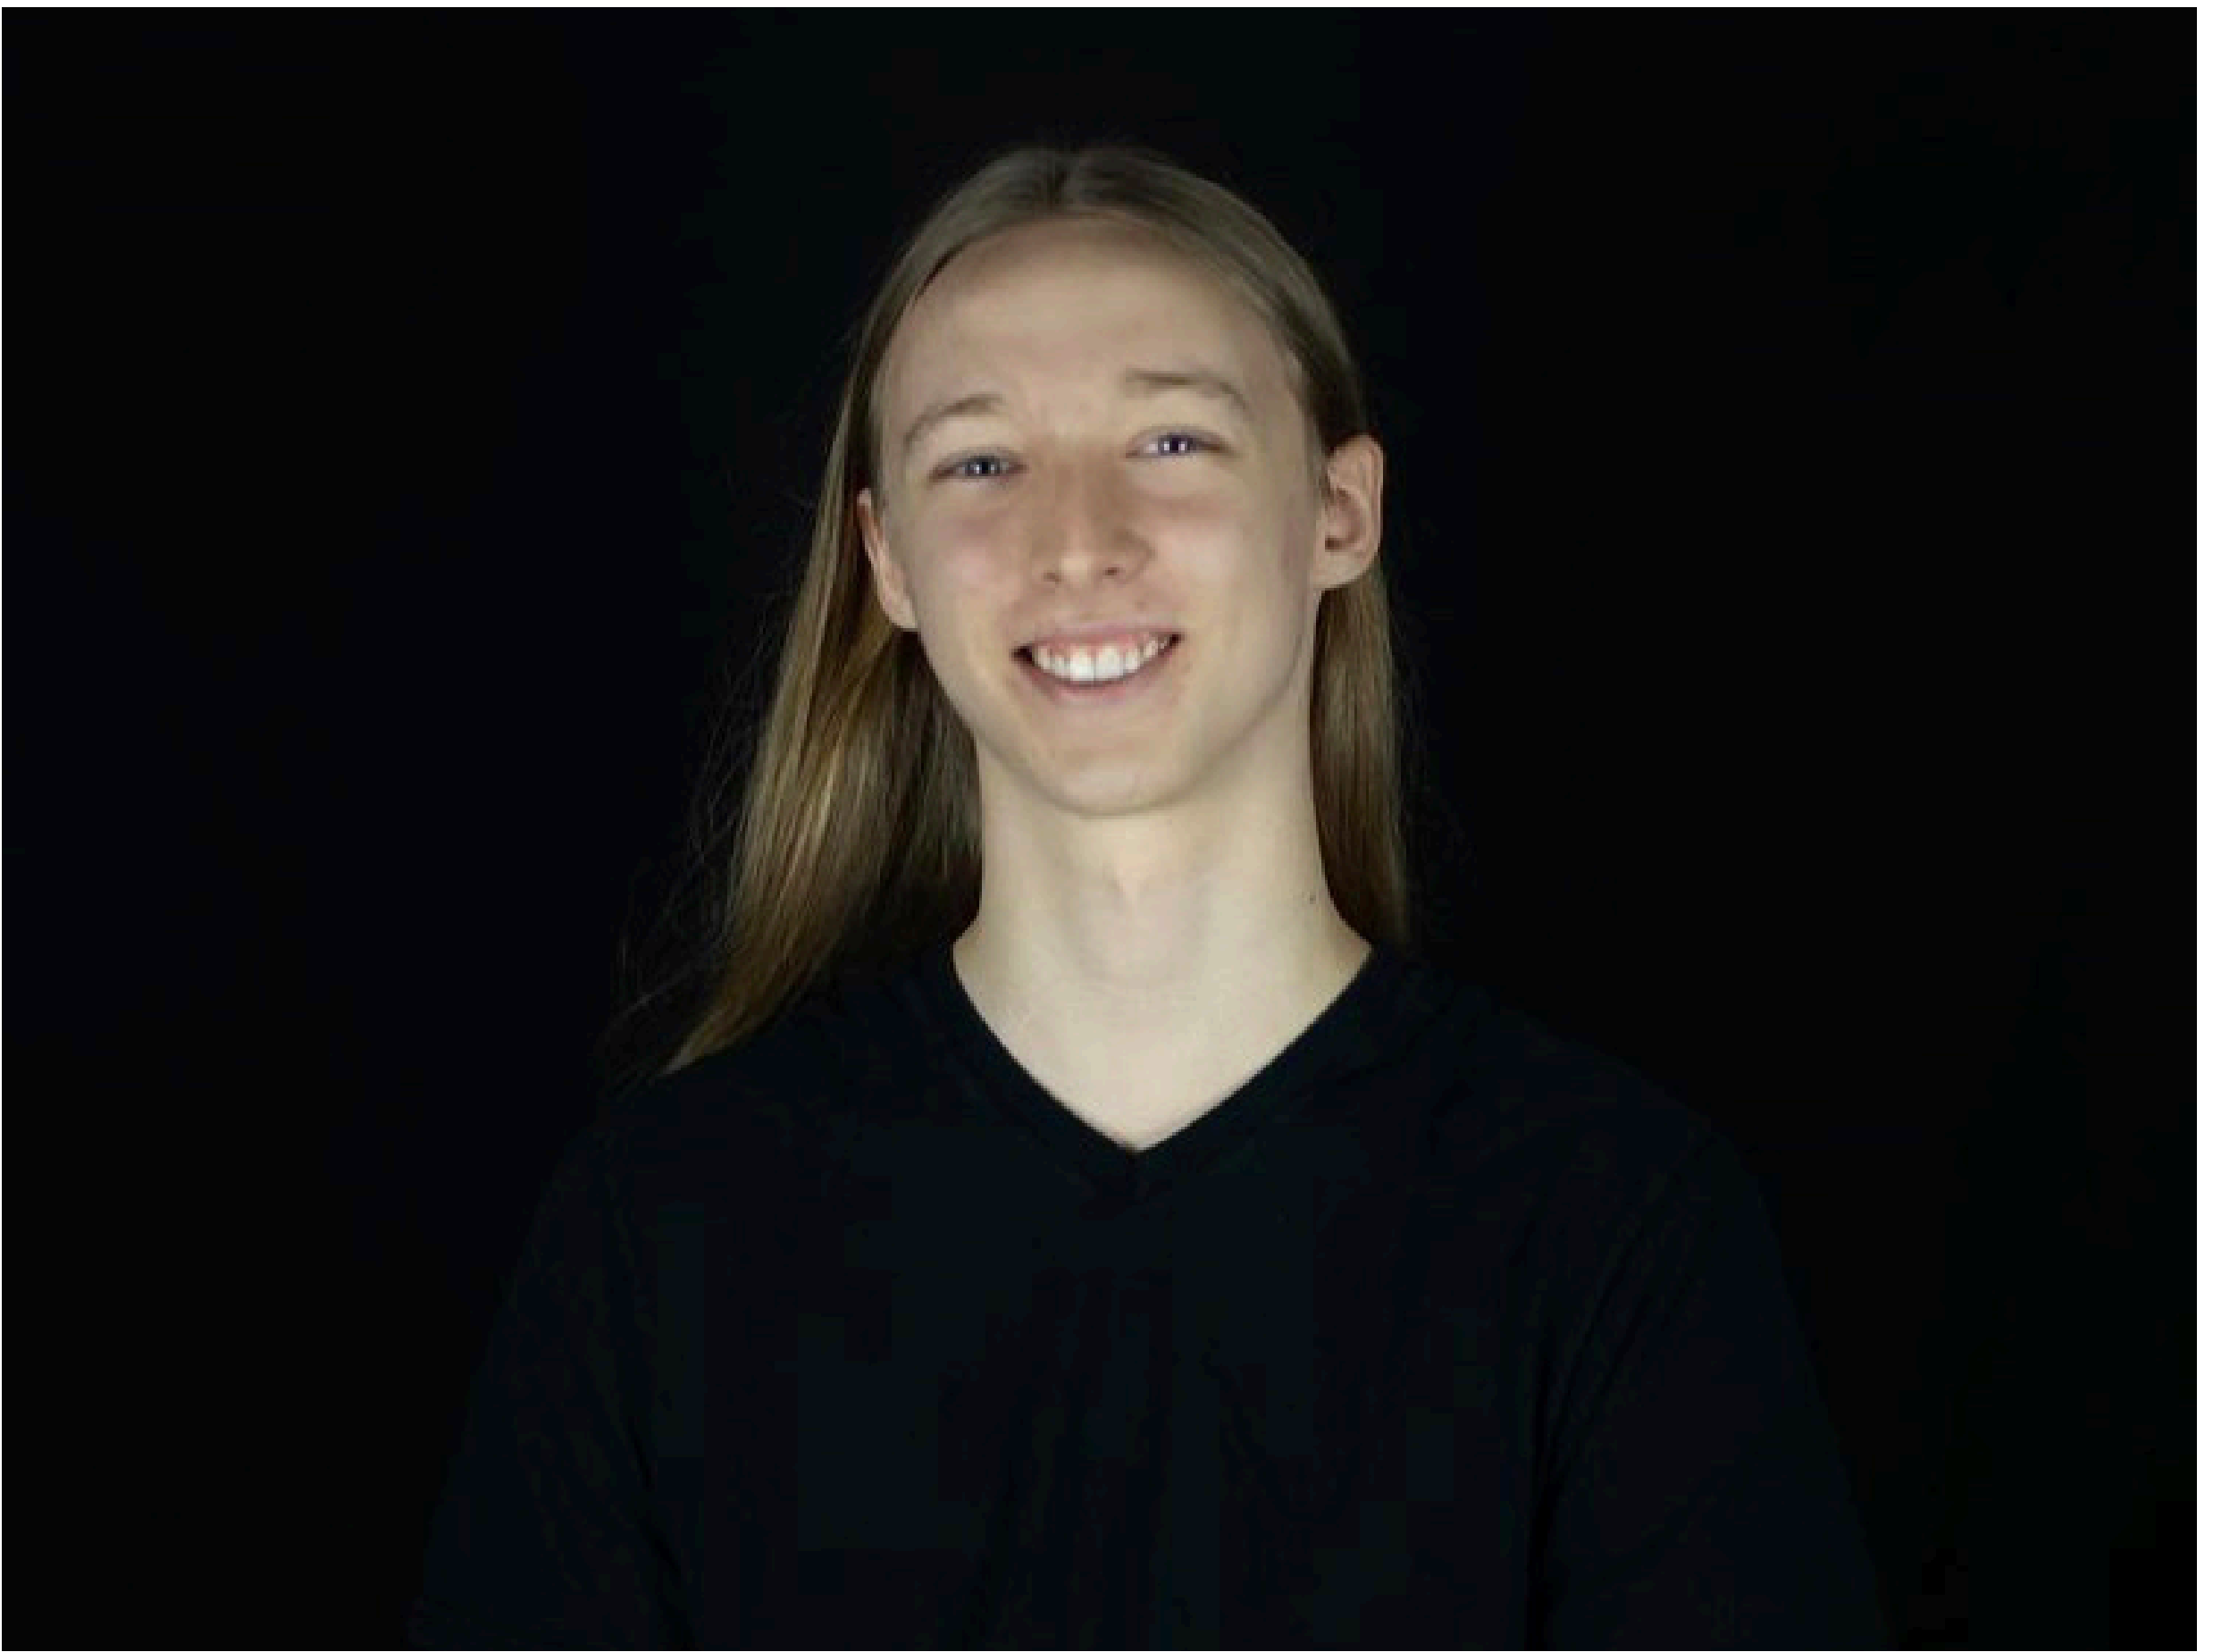

Emily Howland

I will be graduating from Lansing High School next month and attending SUNY Potsdam in the fall as an art major. I also plan to continue dancing in their performance programs :) I have been attending TNJ for 6 years now and have made so many great memories while doing so. Thank you to Jessie for showing me that dance is more than movement but an outlet and form of self-expression and thank you for always being there for me every year. And thank you to the amazing friends I have made over the past few years for making my time here so enjoyable. Finally, thanks to Jenna and the rest of the TNJ staff for giving me a space to be myself and let go. Best of luck to everyone!!

Sean Kennedy

Sean started taking tumbling classes at TNJ when he was twelve years old, and joined the competition team 3 years ago. Next fall, he will be attending Marist College and will be majoring in Business Administration with a pre-med track. He wants to make a special thanks to his coaches for their patience and support. Especially to Miss Jodi, Miss Maria, and Miss Jenna who always pushed him to become better and believed in him, even though he had a late start in dance. He hopes to continue dancing in college and can't wait to cheer on the team next year.

Mason Lehman

Mason has been with The Next Generation for 12 years as a part of the competitive dance team. During this time he has developed a love of dance that will continue on as he pursues it further in New York City following high school. As a dancer Mason has been able to secure titles, overall placements, and other awards at multiple competitions, and this year was awarded the opportunity to study at Joffrey Ballet School Summer Intensive. Mason's experience with competitive dance grew into an interest in modern and contemporary choreography. For competitions this year, he choreographed two performances, one of which was a solo, which was met with stellar reviews, while the second is a small group performance called Lanterns Lit that will be performed in the recital. In the coming years he hopes to continue working on his own choreography skills as well as pursuing his big dream of dancing on Broadway. Mason would like to thank Jenna Stickel for all of her support throughout the time he spent at the studio during the last decade. In simultaneously helping with any ideas or opportunities that were presented and pushing him to be his best, the skills and dedication to the art of dance could not be achieved without her. Mason would also like to thank his mom for being the best chauffeur, his older sister Talia for writing this bio, his little sister Ilana for her blunt honesty, and all of the dedicated teachers, staff, and parents that put in the work to make this happen for everyone.

Audrey Lyons

Audrey Lyons has been dancing at TNJ for 4 years and assistant teaching for 3. She is so excited to be able to participate in recital this year and looks forward to continuing to perform at Cornell University in the fall. She would like to thank Miss Jessie for always believing in her and for making her feel so welcome right from the start. She would also like to thank her wonderful friends, her parents, Miss Jenna, Miss Katie, Miss Audrey, and the rest of the staff for their constant support over the years.

THANK YOU FOR JOINING US FOR...

THE GREATEST SHOW
