# TNJ Class of 2026

## Marisol Chinn Ardon

Peaches began taking dance classes at the age of 7 and joined TNJ in 2018, at age 10. She stopped when the pandemic hit, but in 2025 she rediscovered her love for dance and rejoined TNJ. She has really enjoyed her time there and has found community at dance she wouldn't usually find at school. She's grateful for how much she's improved in dance and has learned to believe in herself more. After high school, she will go to college in New York City and has committed to CUNY Hunter College. She's interested in studying sociology and psychology and is looking to become a pop singer while continuing to dance. She'd like to shoutout Miss Jessie, Miss Deja, and Miss MC for how supportive they've been of her. She also wants to shoutout Tristan, who graduated last year and they both got along great. Overall, she's grateful for the time she spent at TNJ and is looking forward to what comes next.

# TNJ Class of 2026

## Lindsay Kennedy

Lindsay has been dancing at The Next Jennaration since age 6. Next year she will be attending the University at Albany to major in Environmental Studies and she will also be on the dance team. From the moment she stepped into TNJ she knew it was her home and her life has revolved around TNJ ever since. She would like to thank Miss Jenna for creating such an amazing place and for always pushing her to be a better dancer and a better person. “I would not be the dancer and person I am today without her” She would also like to thank Miss Jodi and Miss Maria for always believing in her and Miss Vonnie, Miss Amy, Miss Deja, and Miss MC for being such a big part of her dance career and life. Her teammates mean everything to her, and she is so proud of them every day. Team Wildfire has been her ride or die’s for as long as she can remember. She is so proud of every single one of you and so glad to not only be your teammates but also your best friends. She can’t imagine her life without you. To her fellow seniors, she has loved sharing the stage with you. Lastly, she would like to thank her whole family for always supporting her throughout everything. TNJ will forever have her heart.

# TNJ Class of 2026

## Alivia Kirk

Ali started dancing at the age of 4 and has been at The Next Jennaration for 3 years. Next year she'll be attending the University of Tennessee-Knoxville to major in Communications with a minor in Rhetoric and Writing. This has been the best chapter of Ali's dance journey and she has so many people to thank: Her family for all their love and support along the way; Miss Jodi, Miss Deja, Miss MC, Miss Vonnie, Miss Amy, Miss Paige, and all of the amazing dance parents for their lessons, hair spraying, and constant cheers; Miss Maria for being such a generous mentor. She teaches the team "Be kind. Be fierce. Be honest" along with the importance of dedication and pointed feet; Wildfire and all her teammates, past and present, for being her very best friends. She's loved sharing so many late nights, laughs, and Taco Bell runs with them. Most of all, she owes a huge thank you to Miss Jenna for welcoming her to the studio with open arms and providing her a second home. Miss Jenna is truly the heart and soul of TNJ and has been such an inspiring leader. Ali says, "this place is truly one of a kind and it's been such a blessing to dance with you all."
